

CONQUEROR

Tearin' Up My Head

*Gone are the days
When life meant more
Than just wake up & try to survive
MY LIFE . My way
Days are numbered
Lifelines running out*

*Take a number
Fall back in line
Sick of feeling like I'm wasting my time
BREAK OUT*

*I'm treading water again
Save me from myself
Save me from my head*

*Can you feel it growing?
If there's hope, it's not for me*

*Your words RUNNING OFF
Tearin' up my head
I don't get it
If life's so short, why live it on your fucking knees*

*Your words WEARING OFF
Tearin' up my head*

*Your words FUCKING LOST
Tearin' up my head*
